

## Deluxe Basic System

The Deluxe Basic System, in addition to having some of the 8 Player characteristics, features multi-mode capability using up to 16 players. The modes include: 2 teams with up to 4 players each, 2 teams with up to 8 players each, 4 teams with up to 4 players each, & 16 players competing individually or in pairs. This system also features a lightning round mode. Other than the Main Menu Screen, Game Screen, & Player Edit Screen this system also features a Preference Form & Color Chart Form for changing the font & background colors of the screen objects. The speed & memory requirements for this system are the same as the 8 Player systems.
